Welcome to Beaver Dam, WI, a beautiful and friendly community of nearly 17,000 people centrally located between Madison, Milwaukee, and the Green Bay/Fox Valley area on Hwy 151.

Plan a weekend getaway during the annual Sew•Quilt•Create Weekend in May, or the Arts & Peony Fest in June—or any time of the year! Set a date for you and a friend to take a Fiber Arts Tour and visit Millhouse Quilts, Nancy Zieman Sewing Studio, and Firefly Fibers for quality yarn, books, quilting supplies, sewing notions, fabric, patterns, sewing machines, workshops and more! Be sure to visit the special quilts and arts exhibits on display at the Dodge County Center for the Arts, as well as the Nancy Zieman History Exhibit now on view at the Nancy Zieman Sewing Studio. And, don't miss the Nancy Zieman Community Mosaic Mural just outside the rear entrance, located on the east-facing wall of the Beaver Dam Area Community Theater Fine Arts Center.

Make memories and create a new tradition while engaging in a vibrant arts scene through theatre, music, walking tours, shopping, and dining. Enjoy sporting activities and outdoor recreation centered on our local parks with hiking, fishing, boating, and paddling on the Beaver Dam Lake and River.

We look forward to your visit!
